Annual report - 24.03.26

I Happy to present the annual report at the 3rd school day celebration of our school in the day to day working and achieving excellence in the field of education . The school owned and managed by Kamarajar Educational trust Started functioning in 2023.

There are 423 students 23 teaching staff and 17 non teaching staff on the roll. L.K.G and U.K.G ,I grade & II grade turned into two sections .

Apart from preparing children to qualify for purely academic demands , Special efforts are being made, continuously to enable them to face the challenges of the competitive world.

School Houses :

Strength does not come from physical capacity ,it comes from unity. The students of the school are divided in to 4 different houses Blue Bells Daffodils, Lilly, Rose each hose is managed by house captain and house leader.

Staff development :

Our staff are experienced and dedicated teaching staff , administrative Staff and supporting staff.

Staying updated is the key to success in any field especially in the field of education . My self including our teachers constantly strive to stay updated by attending workshops and various training programs.

Infrastructure:

We have upgraded our infrastructure facilities including computer lab, Composite lab, Library math lab under the smart class project we have KG classes in to digitally smart classes.

Kindergarten Co -curricular Activities:

At Kamarajar school, we focus on shaping young minds to be kind, Responsible, and healthy individiuals right from the start in Kindergarten, we emphasize good manners through good manners class.

We introduced healthy food chart for snacks and vegetables.

We are not only teaching good manners teaching healthy habits , healthy eating, teaching them about different vegetables and their health benefits instilling the importance of a healthy lifestyle.

Sports:

Along with academics and co- curriculars , physical health is also important for Overall .

We believe in nurturing both mind and body sports, games and physical fitness occupy a place of importance in our curriculum . Our students participated in different sports competitions and won medals , certificates and trophies.

Two students went to participate in district level silambam competition and they won two cups , two gold medals and two certificates for silambam.

Technology Integration:

The entire building and buses are monitored by CCTV for safety and security and Wifi is available , the students in school buses are accompanied by well – trained attendance and bus incharges to ensure their safety.

Students take part in a variety of events and activities throughout the years including the Annual day, Independence day, Republic day,

Teachers day, Children’s day, Drawing competition , memory contest,

Singing competition , Talent show, sharing day, Rose day, friendship day,

Grandparents day , Christmas day ,Pongal celebration, Tirukkural recitation, Art & craft and Kamarajar birthday.

No Bag day:

We introduced no bag day thrice in a year to give students a break

from academic and focus on developing essential life skills.

Conclusion:

Each of these achievements and initiatives is a step forward in our mission to nurture our students in the rightway . Our journey this year has full of growth and dedication . The expansion of our infrastructure with the addition of a new block , Which will serve our composite lab and none of this would have been possible without the support of brother, management , the hardwork of our teachers and the enthusiasm of our students.

I would like to conclude by extending our sincere thanks to brother Mohan C Lazarus presidents sir, secretary sir and the trustees of kamarajar school, all the parents and each and everyone of our well-wishers who have supported us through the years, in every step of our journey.

Now I invite you to enjoy the cultured program presented by our talented students . I hope you have a delightful evening with us.

Thank you!
